

Use the *Internet* to get your tax information to us *fast!*

We are pleased to offer a modern alternative to the way you usually do your income taxes. Just send us your information from the comfort of your own home!

Our tax data collector is an easy-to-use on-line application that enables you to provide your tax information to us over the Internet. There is even a place for you to leave questions or notes along with your information. It's fun, and it's fast!

And it's that simple. You provide us with your data and we do all the rest!

Sending your tax data through our Internet tax data collector is fast, easy and safe. Here's why:

- It has an easy-to-use interview process.
- It features the intuitive *QuikClik* method that lets you jump directly to the screens you need.
- It uses the convenience of the Internet together with your favourite browser.
- You can easily view completed screens and monitor your progress.
- You can leave notes and questions along with your information.
- You can print a summary list of your input.
- Your data is safely stored with the same security measures used for on-line banking and trading.

Here's how the tax data collector works:

You will be provided with a username and a password specifically assigned to you. Your password is your key to your tax file, and as such, it should remain completely confidential.

Effective February 1, you can access this new and exciting technology through our Web site at

Once at our Web site, click the link to the tax data collector. You will be taken to a secure site where you will enter the username and password known only to you and your tax professional.

The screenshot shows a web browser window titled "DIT NETLINK 2000" with a URL of "https://secure.dtax.ca/dnetlink/2000/main.htm". The page is titled "T4 slip income" and contains a form for entering tax data. The form includes a sidebar with navigation options like "Personal information", "T4 and employment income", and "Information slips". The main area contains a table of T4 slip boxes with their corresponding amounts and a "Copy" icon for each. A note at the top of the form reads: "Copy the amounts from your T4 slip to the corresponding box numbers here. If a box is blank on your slip do not enter zero here - leave it blank." The table lists the following items:

Box Number	Description	Amount
Box 14	employment income	\$ 48559
Box 16	employee's CPP contributions	\$ 1329
Box 18	employee's EI premiums	\$ 936
Box 20	RPP contributions	\$
Box 22	income tax deducted	\$ 5000
Box 24	EI insurable earnings	\$ 35000
Box 26	CPP pensionable earnings	\$
Box 28	exempt (CPP/QPP and EI)	\$
Box 30	housing, board and lodging	\$
Box 32	travel in a prescribed zone	\$
Box 34	personal use of employer's automobile	\$ 525

The easy-to-use interview will walk you through all the screens needed to enter the information from each of your tax slips and other relevant documents. You may return to the site as many times as you like. When you have finished, you will indicate it by clicking the icon provided to that end.

Your tax slips

The tax data collector provides unparalleled convenience and can help you avoid unnecessary visits to our office. However, the CCRA still requires that we receive your tax slips for review and verification prior to filing your return.

Security

Naturally, the security of your tax information is of utmost importance. Our tax data collector is designed with the best security available on the Web. We can assure you that only the strictest of security procedures have been adhered to throughout. You will be required to use a browser that supports 128-bit encryption.

Cost

Access to the tax data collector is at no extra charge to you.
